Dear Supervisors:

**APPROVAL OF CONTINGENCY FEE, SOLE SOURCE AGREEMENT TO
PROVIDE SUPPORT FOR MEDICARE DISPROPORTIONATE SHARE
HOSPITAL APPEAL
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval and delegated authority for Director of Health Services to enter into a sole source agreement with George Clarke, LLC to provide assistance to the Department of Health Services with its Medicare disproportionate share hospital-Medicaid eligible day appeal for the fiscal years 1988-89 through 1992-93 on a contingent fee basis.

IT IS RECOMMENDED THAT THE BOARD:

Authorize the Director of Health Services (Director), or his designee, to execute a sole source agreement with George Clarke, LLC (Contractor) to provide assistance on a contingent fee basis to the Department of Health Services (Department) in connection with its appeal of the count of Medicaid eligible days used to determine Medicare disproportionate share hospital (DSH) payments for fiscal years 1988-89 through 1992-93.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommendation will allow the Director to execute a sole source agreement, substantially similar to Exhibit I, with the recommended Contractor for assistance with the Department's Medicare DSH-Medicaid eligible days appeal for the fiscal years 1988-89 through 1992-93. Medicare makes supplemental payments to large urban disproportionate share hospitals. These payments increase as the number of days of care which were provided to individuals who were eligible for Medicaid (but not Medicare) on such days, increases.

Four County hospitals appealed the determinations of Medicaid eligible days used to calculate their DSH payments during the audits for fiscal years 1988-89 through 1992-93. To prevail in those administrative appeals, which are pending in a single case, the Department must demonstrate that it provided specific additional days of care to individuals who were eligible for only Medicaid on the date of service. Relevant days for this purpose include days where Medicaid eligibility existed, but Medicaid did not actually pay for the care.

Gathering all the necessary information and documentary or electronic support is time consuming and difficult, since the data is patient and day specific. Further, a full understanding of the basis for Medicaid eligibility is required. The Department does not have adequate internal resources who can dedicate the necessary time. The Contractor has had considerable experience and success in gathering and organizing this type of information in a way which has allowed the Medicare Administrative Contractor (MAC) to accept the additional days. Compensation for services is based on a contingency fee equal to 15 percent of any additional Medicare reimbursement received as a result of the firm's efforts. For all but fiscal year 1992-93, the Contractor will provide the primary support; for fiscal year 1992-93, the firm will provide additional support after primary support is provided by RSG, another vendor.

Implementation of Strategic Plan Goals

The recommended action supports Goal 2, Fiscal Sustainability, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

Because the additional days have not yet been identified, it is difficult to estimate how much supplemental Medicare could be generated from these appeals. However, based on appeals for other fiscal years, it is possible that the amount, even after payment of the contingency, would result in hundreds of thousands of dollars in additional federal reimbursement for each of the fiscal years.

Payment to the Contractor is based on a fifteen percent contingency; thus, the County will have no liability for payment for these services unless additional Medicare reimbursement is achieved. Payment for these services would likely be due during Fiscal Year (FY) 2014-15 and will be requested in the FY 2014-15 budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Medicare has designated all of the Department's hospitals as DSH for the fiscal years at issue, which entitles them to supplemental Medicare payments. The amount of the supplemental DSH payment at LAC+USC Medical Center, Harbor-UCLA Medical Center, King/Drew Medical Center and Olive View-UCLA Medical Center varies with the ratio of days of care provided to patients who were

eligible for Medicaid on those days, but not also eligible for Medicare, to total days for all hospital patients. These hospitals believed that the number of Medicaid eligible days that were determined during the Medicare cost report audit was understated and therefore appealed to the Provider Reimbursement Review Board. Most notably, the audited numbers did not include any days provided to Medicaid eligible patients where Medi-Cal did not pay for the care. The MAC has indicated that it would consider an administrative resolution of this appeal. However, it has established a rigorous protocol for demonstrating that an unpaid day was provided to an eligible Medicaid beneficiary. Identifying these unpaid days to eligible persons, as well as finding additional paid days that were not recognized during the audit, is difficult and requires special expertise, and meeting Medicare's proof requirements is time consuming. Accordingly, the Department believes that it must have outside expert assistance to be successful in its appeal.

For fiscal years 1988-89 through 1992-93, the Department originally solicited via a Request for Proposal process, and awarded the contract to another vendor on a contingency basis. This vendor was unsuccessful in identifying incremental Medicaid Eligible days because of the number of records and the Department's system complexities. The Department decided that it was better served by focusing its consultants on later fiscal years, particularly those which had not yet been audited, and on the appeals for fiscal years 1998-1999 through 2000-2001.

In May, 2012, the Provider Reimbursement Review Board (PRRB) turned its attention to this appeal, and set it for hearing. The hearing is presently scheduled for December 23, 2013, and the PRRB has signaled an unwillingness to extend the date.

Upon receiving the PRRB's notice, the Department began gathering the records necessary to prosecute the appeal. In July 2012, it proposed contracting for assistance with this appeal with a vendor who was providing similar services as a secondary vendor for other fiscal years. That vendor failed to follow through with the negotiations in a timely manner, and due to a loss of key personnel, may no longer be able to produce optimal results.

The Department has now selected the recommended Contractor to provide the necessary expert assistance for fiscal years 1988-89 through 1991-92. Pursuant to the proposed contract, he will use various data bases to identify additional Medicaid eligible days for each facility, present them to the MAC in an attempt to resolve the appeal, and assist in providing any supporting documentation the MAC requires. If the matter cannot be resolved, the Contractor will provide support and testimony at the administrative hearing.

For fiscal year 1992-1993, the Department has already selected RSG, a subcontractor to Apollo, as the primary provider of this type of assistance. However, the firm has demonstrated an ability to identify additional days not identified by RSG. Accordingly, the proposed contract would provide for the Contractor to provide a secondary review and assistance in connection with fiscal year 1992-93 as well.

County Counsel has approved Exhibit I as to form.

CONTRACTING PROCESS

This contract is being recommended as a sole source agreement for several reasons. First, there is not sufficient time, given the hearing date, to engage in a solicitation for these fiscal years. Nearly 4.3 million records have to be reviewed, completed using data from other databases, and evaluated

to cull out the Medicaid eligible days. Days for dually eligible patients must then be removed, and the remaining days reformatted and validated through a state system before they can be presented to the MAC. Historically that process has taken two months per fiscal year.

The MAC then audits the data, and negotiations over audit findings occur. Accordingly, all of the remaining time before the hearing is necessary to complete the work in a way which will have a successful result. Second, the Contractor is familiar with the Department's records and systems in place at the time of the hearing. Accordingly, the Contractor would have a shorter learning curve than other contractors who provide this type of work, which is important given the limited period of time available to gather and present the information to the MAC. Further, the Contractor has experience with assisting County patients achieve eligibility, and thus is unusually familiar with atypical forms of records which support eligibility. The firm's efforts to perform a secondary review in connection with other fiscal years where a substantial amount of additional eligible days were identified demonstrate that the Contractor is very capable in performing these services efficiently and effectively.

For the reasons stated above, the insufficient time to solicit these services using a formal request for proposal, and given the Contractor's qualifications, the Department deems this project emergent and the contract in the best interests of the County.

Attachment A is the sole source checklist in compliance with Board Policy 5.100.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommendation will assist the Department in increasing its Medicare DSH payments for the fiscal years at issue, which support the services it provides to all of its patients.

SOLE SOURCE CHECKLIST

Check (√)	JUSTIFICATION FOR SOLE SOURCE CONTRACTS
	Identify applicable justification and provide documentation for each checked item.
X	<p>➤ Best Interest of the County (other)</p> <p>The Disproportionate Share Recovery Services (DSRS) for fiscal years ended (FYE) June 30, 1989 through FYE June 30, 1993 are required with such a compelling urgency that it precludes Department of Health Services (DHS) from utilizing a full and open competition to solicit proposals, given the time remaining to analyze the data and prepare for Medicare's administrative hearing. The DSRS in this agreement relate to a pending administrative appeal on Medicare disproportionate share hospital payments and involve providing assistance to the DHS in identifying Medicaid eligible days used to determine the amount of such payments, presenting them to the Medicare Administrative Contractor (MAC) for settlement purposes and assisting with the presentation of such data at hearing if necessary. The administrative hearing is presently scheduled for December 23, 2013, before the Provider Reimbursement Review Board ("PRRB"). The hearing date was previously postponed once to allow another vendor to analyze the data, but that vendor failed to produce any useful results and PRRB has signaled an unwillingness to postpone the case again.</p> <p>DHS developed a methodology to address working on the appeals which involved focusing on the later period (FYE 6/30/99 -6/30/01) first, in an effort to establish a procedure with the MAC which could be applied to the earlier years on appeal. However, in May 2012, the PRRB set a firm hearing date for the earlier period (FYE 6/30/89 through 6/30/93). DHS sought to have an existing vendor work on the earlier fiscal years, while beginning to gather essential information. Those efforts to utilize the existing vendor did not produce results, but did consume valuable time to obtain alternative services under a solicitation. In addition, the existing vendor did not follow through with the negotiations in a timely manner and also experienced a loss of key personnel.</p> <p>The work entailed to prepare for the appeal will require the contractor to reformat existing data, which involves nearly 4.3 million records and compare them against various databases to improve their accuracy and completeness and to identify the potentially claimable Medicaid eligible days. The Contractor must determine and remove days which relate to Medicare beneficiaries and perform a quality assurance review. For each facility and fiscal year, the Contractor must then validate its findings against State records, using reformatted files. Final reports must be prepared in formats that comply with Medicare regulations and as requested by the MAC. Preparing these final reports for each fiscal year takes approximately two months, and there are five fiscal years in the appeal. The final reports of eligible days must then be presented to the MAC for audit, as part of the resolution process. The audit and resolution process with the MAC often takes months, and must be completed by the beginning of December so that the County will have adequate time to prepare for hearing if a resolution cannot be achieved. Failure to be fully prepared for this hearing could result in substantial revenue loss.</p> <p>The preparatory work to settle the case or be ready for hearing is a significant undertaking and cumbersome, because the patient demographic data is very old and the systems on which it is found have changed. The retention of George Clarke, LLC reduces the learning curve that any vendor would have in working with this data because Mr. Clarke is familiar with the hospital information systems and various databases that were utilized by the County during the 1990's. Further, in connection with other later, fiscal years, Mr. Clarke personally demonstrated an ability to identify a substantial amount of additional eligible days that were not identified by other vendors. Thus, he had demonstrated exceptional ability to perform the DSRS.</p> <p>A solicitation would take at a minimum, several months and would not leave an adequate amount of time to adequately prepare for the hearing. DHS believes it is in the County's best interest to retain George Clarke, LLC due to his expertise and ability to identify additional reimbursable days in a short timeframe which has the potential to generate additional revenue for the County.</p>

It shall be calculated as follows: determine an incremental eligible days ratio by dividing incremental Medi-Cal eligible days accepted by the MAC or recognized on appeal by total inpatient days. That ratio will then be divided by the sum of the Medi-Cal and SSI ratios. The resulting ratio will be applied to the total DSH reimbursement amount in the Revised Notices of Program Reimbursement issued after resolution or hearing to determine the amount attributable to incremental Medi-Cal eligible days. Fifteen percent (15%) of the amount of additional Medicare DSH

revenue attributable to incremental days shall be paid to the Contractor.

Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.

8.23 FEDERAL ACCESS TO RECORDS

If, and to the extent that, Section 1861(v)(1)(I) of the Social Security Act (42 U.S.C. Section 1395x(v)(1)(I)) is applicable, Contractor agrees that for a period of five (5) years following the furnishing of services under this Agreement, Contractor shall maintain and make available, upon written request, to the Secretary of the United States Department of Health and Human Services or the Controller General of the United States, or to any of their authorized representatives, the Agreements, books, documents and records of Contractor which are necessary to verify the nature and extent of the costs of services provided hereunder. Furthermore, if Contractor carries out any of the services provided hereunder through any subcontract with a value or cost of Ten Thousand Dollars (\$10,000) or more over a twelve (12) month period with a related organization (as that term is defined under Federal law), Contractor agrees that each such subcontract shall provide for such access to the subcontract, books, documents and records of the subcontractor.

8.24 FORCE MAJEURE

8.24.1 Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Agreement, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

8.24.2 Notwithstanding the foregoing, a default by a subcontractor of Contractor shall not constitute a force majeure event,

unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor" and "subcontractors" mean subcontractors at any tier.

8.24.3 In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

8.25 GOVERNING LAW, JURISDICTION, AND VENUE

This Agreement shall be governed by, and construed in accordance with, the laws of the State of California. The Contractor agrees and consents to the exclusive jurisdiction of the courts of the State of California for all purposes regarding this Agreement and further agrees and consents that venue of any action brought hereunder shall be exclusively in the County of Los Angeles.

8.26 HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA) AND THE HEALTH INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT (HITECH)

The County is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH). Under this Agreement,

the Contractor provides services to the County and the Contractor receives, has access to, and/or creates Protected Health Information as defined in Exhibit J in order to provide those services. The County and the Contractor therefore agree to the terms of Exhibit J, Contractor's Obligations as a "Business Associate" Under Health Insurance Portability and Accountability Act of 1996 (HIPAA) and the Health Information Technology for Economic and Clinical Health Act (HITECH) (Business Associate Agreement). They further agree that any subcontractor which has access to Protected Health Information shall also enter into an agreement equivalent to Exhibit J.

8.27 INDEPENDENT CONTRACTOR STATUS

8.27.1 This Agreement is by and between the County and the Contractor and is not intended, and shall not be construed, to create the relationship of agent, servant, employee, partnership, joint venture, or association, as between the County and the Contractor. The employees and agents of one party shall not be, or be construed to be, the employees or agents of the other party for any purpose whatsoever.

8.27.2 The Contractor shall be solely liable and responsible for providing to, or on behalf of, all persons performing work pursuant to this Agreement all compensation and benefits. The County shall have no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel provided by or on behalf of the Contractor.

8.27.3 The Contractor understands and agrees that all persons performing work pursuant to this Agreement are, for purposes of Workers' Compensation liability, solely employees of the Contractor and not employees of the County. The Contractor shall be solely liable and

responsible for furnishing any and all Workers' Compensation benefits to any person as a result of any injuries arising from or connected with any work performed by or on behalf of the Contractor pursuant to this Agreement.

8.27.4 The Contractor shall adhere to the provisions stated in subparagraph 7.6 - Confidentiality.

The Contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, and agents and volunteers ("County Indemnitees") from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the Contractor's acts and/or omissions arising from and/or relating to this Agreement, except for such loss or damage arising from the sole negligence or willful misconduct of the County Indemnitees.

8.29 GENERAL PROVISIONS FOR ALL INSURANCE COVERAGE

Without limiting Contractor's indemnification of County, and in the performance of this Agreement and until all of its obligations pursuant to this Agreement have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Sections 8.29 and 8.30 of this Agreement. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other Contractual obligation imposed upon Contractor pursuant to this Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Agreement.

8.29.1 Evidence of Coverage and Notice to County

- Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Agreement.

The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Agreement. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand (\$50,000.00) dollars, and list any County required endorsement forms.
- Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-

complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

The County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees and Volunteers

The written notice shall be provided to County at least ten (10) days in advance of cancellation for non-payment of premium and thirty (30) days in advance for any other cancellation or policy change. Failure to provide written notice of cancellation or any change in Required Insurance may constitute a material breach of the Contract, in the sole discretion of the County, upon which the County may suspend or terminate this Contract.

8.29.4 Failure to Maintain Insurance

Contractor's failure to maintain or to provide acceptable evidence that it maintains the Required Insurance shall constitute a material breach of the Contract, upon which County immediately may withhold payments due to Contractor, and/or suspend or terminate this Contract. County, at its sole discretion, may obtain damages from Contractor resulting from said breach.

8.29.5 Insurer Financial Ratings

Coverage shall be placed with insurers acceptable to the County with A.M. Best ratings of not less than A:VII unless otherwise approved by County.

8.29.7 Waivers of Subrogation

To the fullest extent permitted by law, the Contractor hereby waives its rights and its insurer(s)' rights of recovery against County under all the Required Insurance for any loss arising from or relating to this Agreement. The Contractor shall require its insurers to execute any waiver of subrogation endorsements which may be necessary to effect such waiver.

8.29.8 Sub-Contractor Insurance Coverage Requirements

Contractor shall include all Sub-Contractors as insureds under Contractor's own policies, or shall provide County with each Sub-Contractor's separate evidence of insurance coverage. Contractor shall be responsible for verifying

each Sub-Contractor complies with the Required Insurance provisions herein, and shall require that each Sub-Contractor name the County and Contractor as additional insureds on the Sub-Contractor's General Liability policy. Contractor shall obtain County's prior review and approval of any Sub-Contractor request for modification of the Required Insurance.

8.29.9 Deductibles and Self-Insured Retentions (SIRs)

Contractor's policies shall not obligate the County to pay any portion of any Contractor deductible or SIR. The County retains the right to require Contractor to reduce or eliminate policy deductibles and SIRs as respects the County, or to provide a bond guaranteeing Contractor's payment of all deductibles and SIRs, including all related claims investigation, administration and defense expenses. Such bond shall be executed by a corporate surety licensed to transact business in the State of California.

8.29.10 Claims Made Coverage

If any part of the Required Insurance is written on a claims made basis, any policy retroactive date shall precede the effective date of this Agreement. Contractor understands and agrees it shall maintain such coverage for a period of not less than three (3) years following Agreement expiration, termination or cancellation.

8.29.11 Application of Excess Liability Coverage

Contractors may use a combination of primary, and excess insurance policies which provide coverage as broad as ("follow form" over) the underlying primary policies, to satisfy the Required Insurance provisions.

8.29.12 Separation of Insureds

The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.

8.41.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of

a proposal marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.42 PUBLICITY

8.42.1 The Contractor shall not disclose any details in connection with this Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Agreement within the following conditions:

- The Contractor shall develop all publicity material in a professional manner; and

8.43.5 If, at any time during the term of this Agreement or within five (5) years after the expiration or termination of this Agreement, representatives of the County conduct an audit of the Contractor regarding the work performed under this Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Agreement exceed the funds appropriated by the County for the purpose of this Agreement.

8.43.6 Intentionally Omitted

notwithstanding the County's approval of the Contractor's proposed subcontract.

- 8.46.6 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Agreement. The Contractor is responsible to notify its subcontractors of this County right.
- 8.46.7 The Director or his/her designee is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.16 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute default under this Agreement. Without limiting the rights and remedies available to the County under any other provision of this Agreement, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Agreement pursuant to sub-paragraph 8.50 - Termination for Default and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.48 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.17 - Contractor's Warranty of Compliance with County's Defaulted Property Tax Reduction Program shall constitute default under this Agreement. Without limiting the rights and remedies available to County under any other provision of this Agreement, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this Agreement and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.49 TERMINATION FOR CONVENIENCE

8.49.1 This Agreement may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to

the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.49.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

- Stop work under this Agreement on the date and to the extent specified in such notice, and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.49.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Agreement shall be maintained by the Contractor in accordance with sub-paragraph 8.43, Record Retention and Inspection/Audit Settlement.

8.50 TERMINATION FOR DEFAULT

8.50.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Agreement, if, in the judgment of the Director or his/her designee.

- Contractor has materially breached this Agreement; or
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Agreement; or
- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Agreement, or of any obligations of this Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing)

after receipt of written notice from the County specifying such failure.

- 8.50.2 In the event that the County terminates this Agreement in whole or in part as provided in sub-paragraph 8.50.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Agreement to the extent not terminated under the provisions of this sub-paragraph.
- 8.50.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.50.2 if its failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or Contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be

furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph, the term "subcontractor(s)" means subcontractor(s) at any tier.

8.50.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.50, it is determined by the County that the Contractor was not in default under the provisions of this sub-paragraph 8.50, or that the default was excusable under the provisions of sub-paragraph 8.50.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.49 - Termination for Convenience.

8.50.5 The rights and remedies of the County provided in this sub-paragraph 8.50 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.51 TERMINATION FOR IMPROPER CONSIDERATION

8.51.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in

the event of default by the Contractor.

8.51.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Fraud Hotline at (800) 544-6861 or www.lacountyfraud.org.

8.51.3 Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

8.52 TERMINATION FOR INSOLVENCY

8.52.1 The County may terminate this Agreement forthwith in the event of the occurrence of any of the following:

- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.52.2 The rights and remedies of the County provided in this subparagraph 8.52 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.53 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Agreement.

8.54 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.55 UNLAWFUL SOLICITATION

Contractor shall inform all of its officers and employees performing services hereunder of the provisions of Article 9 of Chapter 4 of Division 3 (commencing with section 6150) of Business and Professions Code of the State of California (i.e. State Bar Act provisions regarding unlawful solicitation as a runner or capper for attorneys) and shall take positive and affirmative steps in its performance hereunder to ensure that there is no violation of said provisions by its officers and employees. Contractor agrees that if a

patient requests assistance in obtaining the services of any attorney, it will refer the patient to the attorney referral service of all those bar associations within Los Angeles County that have such a service.

8.56 VALIDITY

If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.57 WAIVER

No waiver by the County of any breach of any provision of this Agreement shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this subparagraph 8.57 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

8.58 WARRANTY AGAINST CONTINGENT FEES

8.58.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.58.2 For breach of this warranty, the County shall have the right to terminate this Agreement and, at its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 NO INTENT TO CREATE A THIRD PARTY BENEFICIARY CONTRACT

Notwithstanding any other provision of this Agreement, the parties do not in any way intend that any person shall acquire any rights as a third party beneficiary of this Agreement.

9.2 WAIVER OF ACTION AGAINST STATE

Contractor agrees not to bring any legal action against the State Department of Health Care Services that is in any way related to the re-verification of Medi-Cal eligibility.

IN WITNESS WHEREOF, the Board of Supervisors of the County of Los Angeles has caused this Agreement to be executed by its Director of Health Services, and Contractor has caused this Agreement to be executed in its behalf by its duly authorized officer, the day, month and year first above written.

EXHIBIT A STATEMENT OF WORK (SOW)

1.0 SCOPE OF WORK: Contractor shall provide Medicare DSRS as described below to maximize County's Medicare Disproportionate Share Hospital ("DSH") reimbursement in compliance with Medicare regulations for fiscal year ending June 30, 1989 (FYE 6/30/89) through fiscal year ending June 30, 1993 (FYE 6/30/93). Final Medicare Cost Report settlements have been rendered for these fiscal years and appeals have been filed. Contractor shall assist with these appeals generally, and as detailed below, by developing an integrated database to identify incremental Medicaid eligibility inpatient days, preparing necessary documentation, and securing acceptance from the Medicare Administrative Contractor (MAC) for the inclusion of such incremental Medicaid eligible inpatient days in the Medicaid component of the Medicare DSH calculation. Incremental eligible inpatient days are defined for purposes of this Statement of Work as the additional Medicaid eligible days identified by Contractor that were not included in the allowed/audited Medicaid eligible days used to calculate DSH reimbursement on the latest Revised Notice of Program Reimbursement (RNPR) and that can be verified as Medicaid eligible through the State Eligibility Verification Process or through other State records which validate eligibility and are acceptable to the MAC or Provider Reimbursement Review Board. For services related to FYE 6/30/93, incremental Medicaid eligible days shall mean additional allowable Medicaid days that were not included in the latest RNPR, which can be verified through the State Eligibility Verification process or through other State records which validate eligibility and are acceptable to the MAC or Provider Reimbursement Review Board and, further, which were not identified by any other DSRS Contractor.

These services shall be performed so as to allow the County to resolve or proceed to hearing in the pending appeal, which is presently scheduled for December 23, 2013. Contractor acknowledges that it may not be possible to

extend this hearing date, and that timely preparation of the necessary data is an essential component of this Agreement.

- 2.0 HOSPITALS** DSRS shall be provided by Contractor for the following inpatient facilities: LAC+USC Medical Center, Harbor/UCLA Medical Center, Martin Luther King Jr., Multi-Ambulatory Care Center formerly known as Martin Luther King, Jr./Drew Medical Center, and Olive View Medical Center.

3.0 RESPONSIBILITIES

The County's and the Contractor's responsibilities are as follows:

COUNTY

3.1 Personnel

The County will administer the Agreement according to the Agreement, Paragraph 6.0, Administration of Agreement - County. Specific duties will include:

- 3.1.1 Monitoring the Contractor's performance in the daily operation of this Agreement.
- 3.1.2 Providing direction to the Contractor in areas relating to policy, information and procedural requirements.

3.2 Furnished Items

County shall provide to Contractor data from each Hospital's internal records and from Medicare audit reports and workpapers. County will further make available such additional data sets, such as subsequent year service and remittance advice data sets, as are in County's possession and which would be of use to Contractor; however, County shall not make available any data, the sharing of which could violate state or federal law, or a copyright, license or the contract under which the County obtained the data. County will designate Contractor as agent for accessing the State Eligibility Verification System.

CONTRACTOR

3.3 Project Manager

- 3.3.1 County must have access to the Project Manager during all hours, 365 days per year. Contractor shall provide a telephone number

where the Project Manager may be reached on a twenty-four (24) hour per day basis.

3.3.2 Project Manager shall act as a central point of contact with the County.

3.3.3 Project Manager shall have full authority to act for Contractor on all matters relating to the daily operation of the Agreement. Project Manager shall be able to effectively communicate, in English, both orally and in writing.

4.0 SPECIFIC WORK REQUIREMENTS

4.1 For each fiscal year from FYE 6/30/89 through FYE 6/30/93, Contractor shall:

4.1.1 Create and compile a warehouse of electronic inpatient account information.

4.1.2 Compile all other necessary data at its own cost. County shall not be responsible for paying any expenses associated with data acquisition or programming. Contractor shall reformat account information provided by County to standard Medicare DSH record types, creating records for all accounts.

4.1.3 Identify a universe of the potential populations to be used in calculating Medicare DSH reimbursement separately for each fiscal year by analyzing the compiled inpatient account information and segregating inpatient account information into potential Medicare DSH groups. To identify the universe of the potential Medicare DSH population, Contractor shall:

- (a) Match inpatient account records against Medi-Cal remittance data and Medi-Cal paid claims files;
- (b) Match inpatient account records against uninsured accounts;
- (c) Perform self-pay conversion processing to identify potential incremental Medicaid and Medi-Cal Managed Care days;

- (d) Select accounts with patient days for dates of service for each fiscal year, and categorize accounts by Medicare DSH type as defined by the MAC
 - (e) Accurately match inpatient account records to Medicaid eligibility dates;
 - (f) Review aggregated days, and if available the detail information, already claimed and paid by the MAC and deduct these days from the incremental Medicaid eligible inpatient days to be added to the Medicare DSH calculation.
 - (g) Obtain documentation through the State of California or by other means which are acceptable to the MAC which validates that the inpatients were Medicaid eligible for all days identified in subsection (f) above.
 - (h) Identify which of the incremental Medicaid eligible days were provided to patients who were also eligible for Medicare Part A for such days, and remove such days.
- 4.1.4. Prepare and present a resolution package to MAC for identified incremental Medicaid inpatient eligible days which conforms to MAC requirements, and maintain a comprehensive set of auditable documents which support the resolution package.
- 4.1.5. Interact with MAC during MAC's document review to negotiate the recognition of the highest possible number of additional days in accordance with Medicare requirements. Provide such additional assistance as is necessary to have the MAC accept incremental eligible inpatient days, including, but not limited to, gathering supplemental information or documentation and submitting the same to the MAC, and preparing any supplemental analysis reasonably requested by the MAC. County agrees to cooperate with Contractor in gathering any supplemental information requested by the MAC, which is within the Department of Health Services' control, such as medical records.

- 4.1.6. Contractor shall make available additional reports and/or supporting documentation in format and frequency as reasonably requested by the Director, or his designee.
- 4.1.7. Such work shall be complete by such time as shall allow County to prepare for hearing in the event that County is not satisfied with the resolution achieved by Contractor. Such hearing is presently scheduled for December 23, 2013. In the event that County agrees with the resolution achieved by Contractor, such work shall be completed on or before December 8, 2013, to allow for the preparation and execution of all resolution documents prior to the hearing. County shall inform Contractor of any change in the hearing date.

4.2 Assistance at Hearing for FYE 6/30/89 through FYE 6/30/93.

- 4.2.1. In the event that Contractor cannot negotiate a resolution which is acceptable to County in a reasonable exercise of the County's discretion, County may choose to proceed to hearing. In such event, Contractor shall provide such support as is necessary to present County's case at the hearing, including but not limited to, witness testimony and exhibit preparation. Such support shall be provided at no additional cost to County. All actions related to the hearing shall be done under the direction of counsel selected by County, and Contractor shall comply with the reasonable requests of such counsel.
- 4.2.2. Contractor shall bear its own expenses associated with providing assistance at hearing, including but not limited to exhibit preparation, airfare, and accommodations while at the hearing. Contractor will not, however, be responsible for any attorney's fees associated with such hearing.

4.3 County Right to Resolve Case Contractor acknowledges and agrees that County has the right at its sole discretion to accept a partial or full resolution of the pending appeal for FYE 6/30/89 through FYE

6/30/93, and to negotiate such resolution independently of Contractor. While Contractor will negotiate with the MAC and may recommend full or partial resolutions of the pending appeal, Contractor has no authority to finally commit County. County shall exercise such rights in a reasonable way, and shall not reject any proposed resolution negotiated by Contractor for the sole purpose of diminishing the fee owed to Contractor.

- 4.4 Use of Computer Programs** The parties understand that Contractor shall be using computer software/applications to assist it in performing the services identified in the Statement of Work. Contractor warrants and agrees that its use of such computer software/applications or similar goods or intellectual property shall be fully authorized and consistent with law. Contractor agrees to indemnify and hold harmless County, its elected and appointed officers, employees and agents for and against any liability, from or connected with Contractor's use of computer programs/applications or similar goods or intellectual property.

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que nació conoce está pensando en abandonar a un recién nacido, infante, que tiene otras opciones, él/ella tiene 72 horas después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Las padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que las padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del periodo de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

BUSINESS ASSOCIATE AGREEMENT

CONTRACTOR'S OBLIGATIONS AS A "BUSINESS ASSOCIATE" UNDER THE HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT OF 1996 (HIPAA) AND THE HEALTH CARE INFORMATION TECHNOLOGY FOR ECONOMIC AND CLINICAL HEALTH ACT (HITECH)

Under this Agreement, Contractor ("Business Associate") provides services ("Services") to County ("Covered Entity") and Business Associate receives, has access to or creates Protected Health Information in order to provide those Services.

Covered Entity is subject to the Administrative Simplification requirements of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Standards for Privacy of Individually Identifiable Health Information ("Privacy Regulations") and the Health Insurance Reform: Security Standards ("the Security Regulations") at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (together, the "Privacy and Security Regulations"). The Privacy and Security Regulations require Covered Entity to enter into a contract with Business Associate ("Business Associate Agreement") in order to mandate certain protections for the privacy and security of Protected Health Information, and those Regulations prohibit the disclosure to or use of Protected Health Information by Business Associate if such a contract is not in place.

Further, pursuant to the Health Information Technology for Economic and Clinical Health Act, Public Law 111-005 ("HITECH Act"), effective February 17, 2010, certain provisions of the HIPAA Privacy and Security Regulations apply to Business Associates in the same manner as they apply to Covered Entity and such provisions must be incorporated into the Business Associate Agreement.

This Business Associate Agreement and the following provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Business Associate in compliance with HIPAA's Privacy and Security Regulations and the HITECH Act, as they now exist or may hereafter be amended.

Therefore, the parties agree as follows:

DEFINITIONS

- 1.1 "Breach" has the same meaning as the term "breach" in 45 C.F.R. § 164.402.

Certain transmissions, including of paper, via facsimile, and of voice, via telephone, are not considered to be transmissions via electronic media, because the information being exchanged did not exist in electronic form before the transmission. The term "Electronic Media" draws no distinction between internal and external data, at rest (that is, in storage) as well as during transmission.
- 1.5 "Electronic Protected Health Information" has the same meaning as the term "electronic protected health information" in 45 C.F.R. § 160.103. "Protected Health Information" includes Electronic Health Information.
- 1.10 "Required By Law" means a mandate contained in law that compels an entity to make a Use or Disclosure of Protected Health Information and that is enforceable in a court of law. Required by law includes, but is not limited to, court orders and court-ordered warrants; subpoenas or summons issued by a court, grand jury, a governmental or tribal inspector general, or any administrative body authorized to require the production of information; a civil or an authorized investigative demand; Medicare conditions of participation with respect to health care providers participating in the program; and statutes or regulations that require the production of information, including statutes or regulations that require such information if payment is sought under a government program providing benefits.
- 1.11 "Security Incident" means the attempted or successful unauthorized access, Use, Disclosure, modification, or destruction of information in, or interference with system operations of, an Information System which contains Electronic Protected Health Information. - 1.15 "Use" or "Uses" mean, with respect to Protected Health Information, the sharing, employment, application, utilization, examination or analysis of such Information within Business Associate's internal operations.
- 1.16 Terms used, but not otherwise defined in this Business Associate Agreement shall have the same meaning as those terms in the HIPAA Regulations and HITECH Act.

that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

- 5.6 Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations and other privacy laws governing Protected Health Information

Medical Health Screening

All potential Contractor personnel shall complete to the satisfaction of County a medical health screening to determine if the person meets the medical criteria and immunizations standards established for the prospective job classification/assignment before commencing services. The Contractor shall use the DHS Forms and medical health screening methodology provided in the Contractor package.

The medical health screening shall be performed by a physician or other licensed healthcare professional (PLHCP) authorized to perform such a physical screening, with such cost at the expense of the Contractor. If the Contractor chooses to have the DHS Employee Health Services (EHS) perform such assessments and screening, the Contractor will be billed for the services regardless if the Contractor's staff passes or fails the screening. Contractor personnel shall present a letter on Contractor letterhead authorizing personnel to obtain the screening from DHS' EHS. DHS EHS will bill the Contractor for the cost and/or deduct the amount from funds owed.

Contractor personnel shall provide DHS EHS with documentation of health screenings and evidence of the absence of communicable diseases using the County's "Health Clearance Certification, E2" form. The Certification form must be completed by the prospective Contractor personnel and their health care provider, then by the Contractor attesting verification of completion of DHS forms. The Health Clearance Certification, E2 form may be accessed on line at: http://cg.dhs.lacounty.gov/EHS_Forms/EHSBLANKFORM.htm

The Contractor must provide DHS EHS with the source documents for review within four (4) hours of a request. Source documents pertaining to the pre-employment health evaluation, Tuberculosis, Respiratory Fit Testing, and other immunizations will be maintained by the contractor. Failure to provide appropriate source documentation of health screenings/clearance will result in immediate termination of assignment and placement of Contractor's personnel in a "Do Not Send" status until compliant.

DHS Facility Staff are required to ensure the Contractor personnel receives the appropriate documents; has submitted them to the facility EHS and has obtained health clearance prior to beginning the work assignment.

No person will be allowed to work at anytime inside a DHS medical facility without appropriate documentation of health screening. In those instances where persons have no demonstrated immunity, and have refused vaccination, a waiver to that effect must be obtained and on file. Lack of immunity to certain diseases will restrict assignment locations within the hospital.

All Contractor personnel who have potential exposure to respiratory hazards and/ or aerosol transmissible disease shall provide appropriate documentation of a respiratory fit test on the same make, model, style, and size of respirator that will be used in facility. If indicated, this requirement is mandatory annually.

Medical Health Screening

Per County policy, Contractor personnel are required to comply with annual health screening. Unless provided for per contract, Contractor personnel shall have their PLHCP conduct the assessment in accordance with County policy and procedures. This documentation is the "Health Clearance Certification, E2". The workforce member will be provided with the necessary documentation for completion and submission to their PLHCP. The PLHCP will complete the documents and submit them to the Contractor, as appropriate, with the completed certification form.

Contractor personnel may be given a 30-day reminder to comply with annual health screening requirements. Contractor personnel who do not comply with annual or other health screening requirements will be given a letter indicating they have five (5) days to comply or face termination of assignment. A copy of the "letter" will be provided to the Contractor personnel's supervisor for action. Failure to provide documentation of health screening/clearance will result in immediate termination of assignment and placement in a "Do Not Send" status until compliant.

Emergency services will be provided post-exposure to Contractor personnel who have potential exposure to occupational hazards within the allowable time frames, but will be billed to the Contractor, as appropriate. Contractor personnel who are exposed to occupational hazard or incur injury while performing their duties for the County will be reported on the OSHA Log 300/301, as required by state and federal regulation and guidelines.

In the event of an occupational needlestick injury or other exposure to Contractor personnel to blood and body fluids or airborne contaminants, medical care will be provided by the DHS EHS or Emergency Room, but will be billed to the Contractor, as appropriate. Contractor personnel may go to the facility DHS EHS or the designated department for initial care within the allowable treatment time frames. Cost of initial treatment will be billed to the Contractor, as appropriate. Subsequent follow-up treatment will be conducted through the appropriate agency's medical provider or the employee's personal physician. If Contractor chooses to have the DHS EHS provide subsequent follow-up care, the Contractor will be billed accordingly.
